*"I initially started having laser treatment in one area but have now progressed to other areas as the treatment has been really effective and has boosted my confidence no end. This has only been possible as Permanent Beauty are brilliant and offer an excellent service every time in such a warm, friendly environment. Thank you."*

R Virdi

*"I have been a client at Permanent Beauty for just over two years. Sandra provides an honest and professional service at an affordable price. The treatments have been life changing for me - I feel a lot more confident and happy. My only regret is that I didn't start my laser hair removal course earlier."*

Mrs Jas N

*"I was sceptical at first having never tried this kind of thing before. However, I have to congratulate everyone at Permanent Beauty for the genuine care and attention I have received. My back and chest are now smooth and I feel a lot more confident. My wife couldn't believe I was having this treatment, but now she's delighted."*

Mr D

*"I went for a facial last week and i was instantly wowed. I was greeted by two members staff and had the most relaxing facial in a lovely cosy room. Highly recommended."*
